### Search Tool

The search tool can help you find information in the World Book database. Just type the topic you want into the search bar to get more information about any topic. Make sure you spell your topic correctly!

*Hint: If the article you are looking for does not come up immediately try using a different word with the same meaning. For example, if you type in "famous racecar driver" and do not get any results, try typing in "NASCAR" or "racing."*

Use the World Book search tool to find the answers to the questions below.

### Articles

Find the article about racing and answer the following questions:
