ANSWERS

- 1. d. Emu, penguin, takahē.** According to the sections "Emu," "Penguin," and "Takahē" on pages 10, 20, and 24, we know that "But you cannot fly!" and "You cannot fly." So, the correct answer is D.
- 2. b. Takahē.** According to the section "Takahē" on page 24 we know that "Only a few of you are still alive in the world." So, the correct answer is B.
- 3. d. Woodpecker.** According to the section "Woodpecker" on page 28, we know that "You have bright red feathers on the top of your head." So, the correct answer is D.
- 4. c. Three.** According to the section "Picture Key" on page 30, we know that "The wings can be three times as long as the bird's body." So, the correct answer is C.
- 5.** The osprey shown in the photo on page 19 is catching a fish.
- 6.** According to page 31, the emperor penguin is the largest of all penguins.

TRUE OR FALSE? ANSWERS

- 1. False.** According to the section "Tern" on page 26, we know that "You fly in groups from one end of the world to the other two times a year." So, the correct answer is False.
- 2. False.** According to the section "Pheasant" on page 22, we know that "Others are brown and tan." So, the correct answer is False.
- 3. False.** According to the section "Cockatoo" on page 8, we know that "Like you, most other cockatoos are nearly all white." So, the correct answer is False.
- 4. True.** According to the section "Picture Key" on page 30, we know that "Sulfur-crested cockatoos live in Australia," "The emu lives in Australia," and "The blue-faced honeyeater lives in Australia." So, the correct answer is True.
- 5. True.** According to the section "Picture Key" on page 30, we know that "Heron like to eat fish, frogs, and crayfish." So, the correct answer is True.
- 6. False.** According to the section "Bluebird" on page 6, we know that "Your name tells us that most of your feathers are blue." So, the correct answer is False.
