ANSWERS

- 1. d. Its jaws.** According to the section "Beetle" on page 11, we know that "You have big jaws that look like a deer's horns." So, the correct answer is D.
- 2. c. Summer.** According to the section "Cicada" on page 16, we know that "We hear your buzzing song when you come out in the summer." So, the correct answer is C.
- 3. a. Big dipper firefly.** According to the section "Firefly" on page 18, we know that "When it is dark out, you flash your body like a light!" So, the correct answer is A.
- 4. b. Bees, American lady butterfly.** According to the section "Bee" and "Butterfly" on pages 8 and 12, we know that "You sip sweet juice from each flower," and "You suck juice from flowers with your long thin mouth!" So, the correct answer is B.
- 5.** There are no spiders in the book. Spiders are eight-legged animals. The book only discusses six-legged animals.
- 6.** According to page 24, ladybugs are "bright red with black dots."

TRUE OR FALSE? ANSWERS

- 1. False.** According to the section "Bee" on page 8, we know that "You make yellow wax." So, the correct answer is False.
- 2. False.** According to the section "Grasshopper" on page 21, we know that "You can leap 20 times the length of your body." So, the correct answer is False.
- 3. False.** According to the section "Mantis" on page 26, we know that "You look just like a flower." So, the correct answer is False.
- 4. True.** According to the section "Picture Key" on page 31, we know that "Ladybugs are a type of beetle." So, the correct answer is True.
- 5. True.** According to the section "Picture Key" on page 31, we know that "Adult big dipper fireflies are not known to eat at all." So, the correct answer is True.
- 6. True.** According to the section "Picture Key" on page 31, we know that "The male is slightly smaller than the female ..." So, the correct answer is True.
