ANSWERS

- 1. b. On plants.** According to page 4, we know that "Bananas grow on plants much taller than you." So, the correct answer is B.
- 2. c. Cow.** According to page 6, we know that "You can see by now milk comes from a cow, brown cow or black cow ..." So, the correct answer is C.
- 3. a. Eggs.** According to page 10, we know that "Chickens lay eggs in their nests of soft hay." So, the correct answer is A.
- 4. d. All of the above.** According to page 8, we know that "Cereal is made out of different grains, such as rice, corn, oats and wheat from the plains." So, the correct answer is D.
- 5.** As you can see on page 3, bananas are yellow.
- 6.** As you can see on page 5, milk is white.

TRUE OR FALSE? ANSWERS

- 1. True.** According to page 6, we know that "Milk comes from a cow, brown cow or black cow, the picture shows how." So, the correct answer is True.
- 2. True.** According to page 11, we know that "In boxes, containers, or cartons they fly it or haul it in trucks to the stores where we buy it." So, the correct answer is True.
- 3. False.** According to page 3, we know that "Bananas grow on plants much taller than you. They grow point up (that's upside down to you)." So, the correct answer is False.
- 4. False.** According to page 10, we know that "Chickens lay eggs." So, the correct answer is False.
- 5. True.** According to page 2, we know that "Foods for your meals . . . All come from animals and the plants farmers grow." So, the correct answer is True.
- 6. False.** According to page 8, we know that "Cereal is made out of different grains ..." So, the correct answer is False.
