ANSWERS

- 1. b. Fields and gardens.** According to page 2, we know that "Scarecrows protect fields and gardens." So, the correct answer is B.
- 2. d. All of the above.** According to page 4, we know that "A scarecrow's head can be made from a pillowcase, a bucket, or a plastic bottle." So, the correct answer is D.
- 3. c. Real people.** According to page 8, we know that "In some countries, the scarecrows used to be real people." So, the correct answer is C.
- 4. a. Children.** According to page 8, we know that "Long ago in England, children did this job. They ran across a field, shouting." So, the correct answer is A.
- 5. Yes.** As you can see on page 1, scarecrows sometimes wear hats.
- 6. Yes.** According to page 5, pie pans can be used to make scarecrows.

TRUE OR FALSE? ANSWERS

- 1. True.** According to page 9, we know that "They also waved their arms, threw stones, and clapped pieces of wood together." So, the correct answer is True.
- 2. True.** According to page 10, we know that "It's easy to make a scarecrow. All you need are old clothes and something for a head." So, the correct answer is True.
- 3. False.** According to page 6, we know that "Streamers, flags, and kites all fly in the wind and scare away crows and other birds." So, the correct answer is False.
- 4. False.** According to page 4, we know that "No two scarecrows look just the same." So, the correct answer is False.
- 5. True.** According to page 5, we know that "Some scarecrows just make noise. Tin cans, pie pans, or sticks can bang together in the wind and scare birds away." So, the correct answer is True.
- 6. False.** According to page 7, we know that "Mirrors, lids from tin cans, and hubcaps from cars sparkle and flash in the sunlight, scaring the birds." So, the correct answer is False.
